President's Message

by Carin Stunz

Happy Spring!

While Mother Nature has not been kind lately, we can only hope that we have turned the corner and Spring is on its way. That means lots of planning, planting and grounds work will soon be underway.

First, I feel I need to address a few struggles we have recently had. Our new POS system has caused some frustration for kitchen, bar, wait staff and ultimately our club members. Please know that we are working hard to fix all of the glitches and hope to be running smoothly by the time you read this. I truly appreciate all of you who have been as patient as possible in dealing with these service issues. The staff has dealt with these frustrations but continued to provide service with a smile. Thank you all for hanging in there!

We have been busy planning for the year ahead and are hoping to add a few new events and bring back others like our Wurstfest, perhaps combined with the popular German beer festival. Keep your eyes open for details. Also, if you are interested in getting involved with our Summer Corn Hole league please visit our website to contact us. In the meantime, don't forget about our upcoming events like Bockbierfest, Easter Dinner and Maifest.

None of these events are possible without our hard working volunteers. While we have a strong core group they would also like the opportunity to enjoy themselves at these celebrations. We are pleased to announce a new volunteer incentive program in the hope of getting more people involved in this very important aspect of our club. For each time you volunteer you will receive an entry ticket into a monthly drawing of assorted prizes. Won't you please consider donating a few hours? It's more fun than work!

Composer Ludwig van Beethoven was born in Bonn in 1770. Bonn was the provisional capital of West Germany, following WWII, 1949 -1990, and served as the seat of government. Because of a political compromise following German reunification the seat of Germany again became Berlin but the German state maintains a substantial presence in Bonn.

WEDNESDAY, APRIL 17

Stuttgart

65th installment of Chef Marlis' Culinary Tour through Germany.

Stuttgart, Germany

Stuttgart is the capital and largest city of the state of Baden-Württemberg in southwest Germany. The eighth largest city in Germany, Stuttgart is spread across a variety of hills (many of them vineyards), valleys and parks – unusual for a German city and often a source of surprise to visitors who primarily associate the city with its industrial reputation as the 'cradle of the automobile'. Stuttgart lies about an hour from the Black Forest and a similar distance from the Swabian Jura mountains. The first known settlement of Stuttgart was around the end of the 1st century AD with the establishment of a Roman fort on the banks of the river Neckar. It was in origin a site for breeding cavalry horses as is depicted in its coat of arms. Stuttgart is nicknamed the Schwabenmetropole (Swabian metropolis), because of the city's location in the center of Swabia, and as a reference to the Swabian dialect spoken by its native inhabitants.

Chef Marlis will explore this City in Germany and unlock some of their culinary secrets.

Fish Feature - Tuscan Salmon

Salmon Fillets that are Oven Roasted with Herbs, Garlic, Grape Tomatoes & fresh Spinach and then served topped with a Creamy Parmesan Cheese Sauce. Served with 2 side dishes.
